Certified that no addition or alteration has been made to the existing building or portion of a building for which this application has been made. I undertake to obtain a fresh licence in case any addition or alteration is made to the existing building or portion of building. I also undertake to obtain a fresh licence if the purpose for which the licence was granted for the use of the building or portion of building originally is changed or altered subsequently.

This is further certify that no thatched buildings / inflammable roof buildings are used for Occupying any persons within the building premises. Any thatched building constructed / used after issue of this Certificate, I would be held responsible for fire accident / mishap that may occur later and that I am aware that it is punishable crime.

This is also understood that the conditions of all existing, adjacent / other floors / or other buildings of any type within this building premises which were not opted / covered for building stability purpose would be brought under the risk of my own.

We are well aware of that the underground amenities like water sumps, septic tanks, bore wells and open wells should be kept always in closed rigid conditions for all time safety measures to Occupants.
